Batch number **1171 (on the packaging)**

Barcode **8698605680097**

Alert number **[A12/00281/21](#)**

Product **Toothpaste**

Risk type **Microbiological**

The product is microbiologically contaminated with mesophilic aerobic bacteria, yeast and mould (measured values 10500 cfu/g). In addition, in particular Pseudomonas and aerobic spore-forming organisms were identified, hence there is a risk of contracting infections. The microorganisms may potentially cause illness in some consumers, particularly those with a weakened immune system.

The product does not comply with the Cosmetic Products Regulation and the relevant European standard EN 17516.
