Batch number	Expiry date
R001-476556	Jun 2024

Date: 26th Sep 2023

Dear Veterinarian,

We wish to advise you that batch R001-476556 of Clavudale 400mg/100mg tablets for dogs is being recalled with immediate effect.

The recall is going to **veterinarian level** and has been agreed with the Health Products Regulatory Authority (HPRA).

The reason for the recall is due to out of specification stability results.

You are requested to please carry out the following actions:

1. Review your inventory immediately and quarantine any units of this batch you have in your possession.
2. Please return the quarantined units to your wholesaler. Credit will be issued for units returned by 10th October 2023. Please email eu.recall@dechra.com, copying laura.eveson@dechra.com and tracey.smith@dechra.com detailing the number of units quarantined.
3. If you have supplied any units of this batch to any other veterinary clinic, pharmacy or other such facility, please send those customers a copy of this letter, requesting that they quarantine and return any unused quantities of this batch to you.

Please be advised that there is no replacement stock available to order at this time. On behalf of Dechra, I would like to apologise for any inconvenience this action may cause.

Yours sincerely,

Iain Jenkins
