

Batch Recall

Finadyne® 50 mg/ml Solution for Injection (VPA10996/228/001) Batch: 3044, Expiry Date: 31.12.2025

04 December 2023

Dear **Veterinarian / Pharmacist**,

This letter is to inform you that batch 3044 of Finadyne® 50 mg/ml Solution for Injection (VPA10996/228/001) is being recalled with immediate effect.

This recall is going to veterinary surgeon/pharmacy level.

This action has been agreed with the Health Products Regulatory Authority (HPRA).

This batch is being recalled due to the presence of precipitated active substance in the vials.

You are kindly requested to:

1. Identify and quarantine all units of Finadyne® 50 mg/ml Solution for Injection Batch 3044 in your possession or which may be returned to you.
2. If you have supplied units from this batch to any other veterinary surgeon, clinic or pharmacy, please forward them a copy of this letter and request that they return any unused units to you.
3. Veterinary surgeons should immediately stop any ongoing administration of units from Batch 3044.
4. Use the attached Recall Confirmation Form (Attachment 1) to indicate the number of vials of the batch that you have in your inventory. The form should be returned to us even if you have no impacted product in your inventory, The form should be returned by **18 December 2023**.
5. Return all impacted unopened bottles to your supplier. You will receive credit on your account or reimbursement for product which is returned to our Distribution Partners by **18 December 2023**.

There **is** unaffected stock available to order.

We thank you for your continued support and cooperation during this process and apologize for any inconvenience this may cause. Please feel free to **contact us at +353 (0)1 2970220** in case you have any questions or require additional information.

Yours sincerely,

A handwritten signature in black ink that reads "Fergal Morris". The signature is written in a cursive style with a horizontal line underlining the name.
