

**Batch Recall**  
**Exempt Medicinal Product**

Product name	Batch no.	Expiry date
Fluphenazin-neuraxpharm D 25mg/ml Solution for Injection	200229	08/2023

06/06/2023

Dear Pharmacist,

We wish to advise you that the above batch of Fluphenazin-neuraxpharm D 25mg/ml Solution for Injection is being recalled with immediate effect. Medisource has supplied this batch to you as an exempt medicinal product (EMP).

**This recall is going to pharmacy level.** This action has been agreed with the Health Products Regulatory Authority (HPRA).

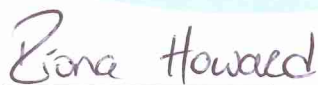

The reason for the recall is that out of specification results for related substances were detected in units from batch no. 200229.

We request that the following actions are carried out:

1. Please check your current inventory and immediately quarantine any units of the above batch within your pharmacy. For hospital pharmacies, this includes units at wards, clinics and any other relevant locations within the hospital.
2. If you have supplied units from this batch to any other pharmacy, clinic or other such establishment, please forward a copy of this recall letter to them, and request they quarantine and return any unused units to you.
3. Please contact Medisource on 01-2866366 (or your supplier) to request uplift of the affected stock. Full credit will be issued for stock that has been arranged for uplift prior to 20<sup>th</sup> June 2023.
4. Unaffected stock of this product is not available to order, however, an alternative fluphenazine decanoate containing product is available to order.

We apologise for any inconvenience this action may cause. Should you have any queries please contact Riona Howard on telephone number 01-2866366 or email [Riona.Howard@medisource.ie](mailto:Riona.Howard@medisource.ie).

Yours sincerely,

Riona Howard  
Deputy Responsible Person  
Medisource Ireland Ltd
