

**Notice Information: Human Medicines - Advisory
01 August 2008**

Part 1. Product Information

a) Title: EMEA recommends restricting the use of oral moxifloxacin-containing medicines

b) Product Name/Type: Moxifloxacin

c) Active Substance: Moxifloxacin

Part 2. Problem/Issue

a) Problem/Issue: Finalising a review of the safety of moxifloxacin-containing medicines for oral use, the European Medicines Agency (EMA) has concluded that these medicines should only be prescribed in the treatment of acute bacterial sinusitis, acute exacerbation of chronic bronchitis and community-acquired pneumonia when other antibiotics cannot be used or have failed. The Agency also recommended strengthening the warnings for oral moxifloxacin medicines. For further information, [Click Here](#) to read the Press Release and Q&A document .
