## Batch Recall

### Semintra® 4 mg/ml Oral Solution for Cats, EU/2/12/146/001

Batch number	Expiry date
F54575X	09/ 2026

Dear Veterinarian,

We wish to inform you that the above listed batch of Semintra® 4 mg/ml Oral Solution for Cats (30 ml bottle), EU/2/12/146/001 is being recalled with immediate effect.

This recall is going to **veterinary clinic level**. The action has been agreed with the Health Products Regulatory Authority (HPRA).

The reason for the recall is due to out of specification results for pH and appearance which were detected during routine stability studies.

You are kindly requested to please perform the following actions:

1. Immediately identify and quarantine any units of the above batch in your possession.
2. If you have supplied the batch to any other veterinary surgeon/clinic, please send a copy of this recall letter to them, requesting that they quarantine and return any units of the batch to you.
3. Please return all quarantined stock from the batch, including full or part packs, to the wholesaler who supplied it to you within two weeks of receipt of this letter, for which a credit will be issued. Please include your wholesaler account number with the returns to assist in tracking this stock.

We anticipate that Semintra® 4 mg/ml Oral Solution for Cats (30 ml bottle) will be out of stock until the end of 2024 and therefore are unable to provide replacement stock.

We want to support you with any changes to clinical management that are required. Therefore, please call our Technical Services Team on 01 291 3985 (IE) / 01344 746957 (NI) or email [vetenquiries@boehringer-ingelheim.com](mailto:vetenquiries@boehringer-ingelheim.com) for further support or to discuss a specific case.

We apologise for any inconvenience this may cause.

Yours sincerely,

DocuSigned by:
