Important Supply Notification

1st March 2024

Product: Aciclovir 25 mg/ml Concentrate for solution for infusion
Licence: PA 0822/215/001
Unavailability Date: December 2023
Expected Resupply Date: October 2024

Dear Pharmacist,

Please note we currently have a temporary supply issue of Aciclovir 25 mg/ml Concentrate for solution for infusion for both our 250mg/10ml and 500mg/20ml products.

Pfizer is working diligently to resolve the supply shortage and resumption of supply as soon as possible. We regret any inconvenience caused by this temporary supply interruption to the market.

Please circulate this notification to key stakeholders as appropriate so that prescribers of this medicine are informed.

If you have any queries about this notification or want any additional information, please contact your key account manager or Pfizer Healthcare Ireland's office on 01-4676500.
