

Clinical Trial Meeting Dates for 2022 and 2023

- Please note that clinical trial applications to be assessed under the Clinical Trials Directive can be submitted at any stage throughout the month up until the cut-off date.
- All applications must be submitted to the HPRA by **5.00 pm** on the cut-off date.
- From the 31st January 2022 initial clinical trial applications can be submitted under both the Clinical Trials Directive and the Clinical Trials Regulation EU No 536/2014 (CTR). Trials to be reviewed under the CTR are required to be submitted to the Clinical Trials Information System (CTIS) and more information regarding this can be located on the EMAs [online CTIS training programme](#). Trials being submitted under the CTR are not subject to a cut-off and can be submitted at any stage throughout the year.
