

# HPRA Webinar on Regulation 2019/6

## Closing remarks

---

**J. Gabriel Beechinor, Director of Veterinary Sciences**

19 May, 2022 Dublin

## Conclusions

- Experience for first 100 days only
- Still many 'moving parts'
- The HPRA continues to update our internal procedures and external guidances to give effect to new requirements
- MAHs and national competent authorities are learning by doing during this 'transition year'.

## Next steps

- HPRA commits to bring you updated information during the course of 2022
- For more information see [Implementation of the new veterinary regulation \(Regulation 2019/6\) \(hpra.ie\)](https://hpra.ie/implementation-of-the-new-veterinary-regulation-regulation-2019-6)
- HPRA will work with APHA and other stakeholders to keep everyone up-to-date with developments

# Thank you
