

## Batch Recall

### Ketofen 10% Solution for Injection, VPA10815/051/001

Batch no.	Exp. date
113AB	31/03/24

27<sup>th</sup> August 2021

Dear Veterinary Wholesaler,

We wish to advise you that batch no. 113AB of Ketofen 10% Solution for Injection, VPA10815/051/001, is being recalled with immediate effect.

This recall is going to **veterinary surgeon level**. This action has been agreed with the Health Products Regulatory Authority.

**Reason for recall:** Particulate contamination was identified during visual inspection of this product at the manufacturing site. The above batch has been identified as being within scope of this issue.

#### You are requested to:

1. Please immediately quarantine any units of this batch that you have in your possession.
2. Interchem (Ireland) Ltd on behalf of Ceva Animal Health will contact your veterinary practice customers to request that they return stock from this batch to you. Please quarantine this stock on receipt from your customers.
3. If you have supplied this batch to any other wholesaler, please send those wholesalers a copy of this recall letter, requesting that they quarantine and return any unsold quantities of this batch to you.
4. Please return all quarantined stock from this batch within four weeks of receipt of this letter to Interchem (Ireland) Ltd, Unit 29, Cookstown Industrial Estate, Dublin 24 for credit.

Should adverse reactions or lack of efficacy be reported following use of this batch please contact Paul Kennedy, Ruminant National Business Manager at telephone number 01 4518959.

Unaffected stock of this product is not available to order at this time. We apologise for any inconvenience this issue may cause.

Yours sincerely,

Dr Andrew Forsyth BVMS GPCert(ExAP) MRCVS  
Head of Regulatory Affairs UK and IE
