Actions to be taken by the customer

Our records show that you may have been supplied with affected stock, please conduct a review of all of your stock of the affected product and quarantine any expired stock. Please contact

[Pembertonqueries@united-drug.com](mailto:Pembertonqueries@united-drug.com) to arrange for uplift of the impacted stock.

Please complete and return the attached fax back form **even if you have no stock remaining.**

The Health Products Regulatory Authority (HPRA) have been notified of the issue and are liaising with Pemberton Marketing International Limited on this action.

If you have transferred stock of this product onwards to any other store please forward a copy of this notice to them.

We apologise for any inconvenience this product recall may cause and we appreciate your cooperation in this matter.

Yours Sincerely,

PP Liam Reid
