

Urgent Field Safety Notice

**Alphadent NV
Class IIa Ceka-Preciline medical devices
4 May 2016
Medical Device Recall**

Dear Distributors/Customers,

The purpose of this letter is to inform you of a product recall that Alphadent NV is introducing in relation to the medical devices listed in Annex to this Field Safety Notice ("Alphadent Medical Devices").

This product recall is implemented by Alphadent NV as a result of the cancellation of the company's CE Certificate of Conformity for Alphadent Medical Devices on 4 April 2016. The cancellation of Alphadent NV's CE Certificate of Conformity by the notified body Nemko is not linked to any safety issue with the medical devices. This cancellation is the result of a request sent to the notified body by Alphadent NV on 13 September 2013 to terminate the company's agreement with the notified body. Nemko responded to this request on 4 April 2016 and informed the company of the cancellation of the relevant CE Certificate of Conformity.

Alphadent NV is actively working with a new notified body to obtain a new CE Certificate of Conformity for Alphadent Medical Devices.

Alphadent NV has not received any injury reports relating either directly or indirectly to the medical devices subject to this recall. However, as a precautionary measure and in order to ensure compliance with applicable requirements, Alphadent NV has decided to recall the products identified in the table below. In line with the recommendations of the Belgian competent authorities, and despite the fact that this potential issue has not led to any injury for any patient or related complaints, Alphadent NV has decided to initiate a recall of the concerned medical devices manufactured from 13 September 2013.

| | |
|--|--|
| AFFECTED PRODUCTS | All medical devices listed in Annex to this Field Safety Notice manufactured from 13 September 2013 (lot 130913 and subsequent lots) and within the distributors and dental technicians/laboratories' existing stock |
| ACTIONS TO BE TAKEN BY DISTRIBUTORS AND DENTAL TECHNICIANS/LABORATORIES | <ol style="list-style-type: none">1.) Identify and quarantine your existing stock of the medical devices.2.) Distributors to communicate this Field Safety Notice to all their customers.3.) Complete the reply form provided on the last page of this letter.4.) Return the reply form to recall@ceka-preciline.com |
| ACTIONS PLANNED BY ALPHADENT NV | Alphadent NV actively works with the notified body TÜV Rheinland to obtain a new CE Certificate of Conformity for Alphadent Medical Devices and be able to continue to affix the CE mark to its medical devices. The company aims to obtain a new CE Certificate of Conformity for Alphadent Medical Devices as early as feasible. |
| FURTHER INFORMATION AND SUPPORT | If you need any further information or support concerning this problem, please contact recall@ceka-preciline.com . |

Transmission of this Field Safety Notice:

Please pass this Field Safety Notice on to all those who need to be aware of this action within your organisation.

Please also ensure that the Field Safety Notice is passed to any other distributors where Alphadent Medical Devices have been supplied.

Please maintain awareness on this Field Safety Notice both within your organisation and among interested third parties to ensure effectiveness of the corrective action.

DISTRIBUTORS ARE ALSO REQUESTED TO SHARE THIS FIELD SAFETY NOTICE TO ALL THEIR CUSTOMERS, I.E. DENTAL TECHNICIANS/LABORATORIES TO WHICH THEY HAVE SOLD THE MEDICAL DEVICES LISTED IN ANNEX TO THIS FIELD SAFETY NOTICE.

In accordance with applicable rules, the competent authorities in your country have been notified of this corrective action.

Alphadent NV apologises for any inconvenience this action may cause you. If you have any questions or concerns, please contact us.

Thank you for your continued support.

Dominique Deschietere
