

UPDATED URGENT FIELD SAFETY NOTICE **Covidien Endo GIA™ Articulating Reloads.**

May 2018

Medtronic reference: FA816

Attention: Risk Management Director and O.R. Materials Management

Dear Valued Customer:

The purpose of this letter is to advise you of an **update** to our May, 2018, communication related to Medtronic's voluntary recall of specific production lots of its Covidien Endo GIA™ Articulating Reloads, attached letter.

Additional codes and lots have been added to this recall. A comprehensive list of affected products is contained in Attachment A of this letter. The additional lots are marked with an asterisk (*).

Issue Description:

This voluntary recall is being conducted due to the potential for a device to be misassembled. Use of a misassembled device may result in failure to form a staple line when tissue is divided, leading to bleeding or leakage of luminal contents. Medtronic has received five reports of injury related to this issue.

Medtronic requests that you immediately discontinue use of the affected products detailed on Attachment A. Please quarantine and return any unused products of the listed item codes and lots. Unused products from the affected item codes and lots should be returned as described in the Required Actions section below. If you have distributed Endo GIA™ devices listed on Attachment A please promptly forward the information from this letter to those recipients. All unused products from the affected item codes and lots must be returned.

Required Actions:

1. Please immediately discontinue use, and quarantine, the affected item codes and lots listed on Attachment A.
2. Please return affected product as indicated below.
3. Complete the Return Verification Form **even if you do not have inventory.**

	Customer with inventory	Customer with zero inventory	Where to send the completed form
Purchased directly from Medtronic	Please complete the attached Returns Verification Form in its entirety. Upon receiving your form, Medtronic Customer Care will contact you to organize the return of your products. You will receive credit for unused device(s) that you return.	Complete form and check the box indicating "no inventory"	E-mail or fax the completed form to the Medtronic contact provided on the verification form.
Purchased from a distributor	Complete all fields on the form and contact your distributor directly to arrange for return of product	Complete form and check the box indicating "no inventory"	E-mail or fax the completed form to your Distributor & to the Medtronic contact provided on the verification form.

The Competent Authority of your country has been notified of this action. Please maintain a copy of this notice in your records. We request that you contact Medtronic if you experienced quality problems or adverse events.

We regret any inconvenience this may cause. We are committed to patient safety and appreciate your prompt attention to this matter. If you have any questions regarding this communication, please contact your Medtronic representative at 01 511 1400.

Sincerely,

Samantha Baxter
Regulatory Affairs Manager, UK and Ireland
