P. A. No. 23188/1/1
Date of Information
March 2021
Carnation is a registered
trade mark.

Manufactured from
sustainable forests

Directions for Use

1. For better adhesion clean and dry the feet.
 2. Remove a corn cap from the backing paper and position the felt ring over the corn.
 3. Firmly apply in position with adhesive straps. When properly applied it should not slip or move.
 4. Change the corn cap every two days until the corn is easily removed. A maximum of five corn caps should be used per corn.
- Do not exceed recommended dose.

Possible Side Effects

While using this product a mild degree of soreness may be experienced. Occasionally local irritation or dermatitis (skin rash) may occur. If this happens remove the plaster and clean and dry the area. Do not repeat treatment. If the condition hasn't resolved after 10 days or you experience any unwanted effects consult your pharmacist or doctor. This includes any possible side effects not listed on this pack. You can also report side effects directly via: www.hpra.ie
