 **EFFENTORA**[®]
fentanyl buccal tablet

Patient Name: _____

Hospital: _____

Date: _____

1. Do you experience pain regularly (other than minor pain such as headaches, dental pain etc.)?

YES NO

2. How long have you experienced this pain?

3. Do you have severe episodes of pain or Breakthrough Cancer Pain?

4. Please rate the pain at its WORST in the past 24hrs (from 1 – 10)
0 = no pain and 10 = the most severe (numbered bar inserted)

5. Please rate the pain at its LEAST in the past 24hrs (from 1 – 10)
0 = no pain and 10 = the most severe (numbered bar inserted)

6. Shade in the areas where your pain occurs on the diagram below (front and back body)

7. How many episodes do you have per week/day?

8. How long is it from the time the pain first occurs to when the pain is at its worst?

9. How long does each episode last?

10. What does it feel like?

11. Is your Breakthrough Cancer Pain different from your regular background pain?

12. How does this pain impact on your daily life?
Circle the areas that are affected:

- a) General activity
- b) Mood
- c) Mobility
- d) Work (both household and other)
- e) Sleep
- d) Relationships
- g) Enjoyment of life
- h) Ability to do day-to-day activities

13. What do you do to relieve the pain?

14. What treatments are you receiving for your pain?

Patient Name: _____

Hospital: _____

Date: _____

1. Do you experience pain regularly (other than minor pain such as headaches, dental pain etc.)?
