

**Notice Information: - Advisory  
12 November 2009**

**Part 1. Product Information**

a) Title: Update: on National Monitoring Experience with Pandemic H1N1 Vaccines

b) Product Name/Type: Pandemic H1N1 Vaccines

**Part 2. Problem/Issue**

a) Problem/Issue: 

As of 12 noon on Wednesday, 11 November 2009, 113 reports of suspected adverse reactions to the Pandemic (H1N1) 2009 vaccines have been received by the Irish Medicines Board (IMB).

The IMB will provide updates on a regular basis as national monitoring information becomes available in relation to the use of the pandemic vaccines.
