

**Product Recall**  
**Clavudale 40mg/10mg Tablets for Cats and Dogs, VPA 22622/005/001**  
**All in-date batches**

27<sup>th</sup> April 2023

Dear Pharmacist / Veterinarian,

We wish to advise you that all in-date batches of Clavudale 40mg/10mg Tablets for Cats and Dogs are being recalled with immediate effect. This action has been agreed with the Health Products Regulatory Authority.

The recall is going to **veterinary clinic / pharmacy level**. The reason for the recall relates to a number of stability failures which have been attributed to the suitability of the primary closure system.

Please kindly carry out the following actions:

1. Please review your inventory immediately and quarantine any units of this product which you have in your possession.
2. Please report the number of quarantined units to the following email address: [eu.recall@dechra.com](mailto:eu.recall@dechra.com)
3. Please return quarantined units to the wholesaler from whom you obtained them. Please be advised that the last date by which returned stock will be refunded for is 14<sup>th</sup> May 2023.
4. If you have supplied this product to any other veterinary clinic, pharmacy, or other such establishment, please forward a copy of this recall letter to them, and request they quarantine and return any unused units to you.

Thank you for your cooperation. Please contact [eu.recall@dechra.com](mailto:eu.recall@dechra.com) if you have any inquiries related to this notification. Please be advised that there is no replacement stock available to order at this time.
