Part 4. Action to be taken

a) Action to be taken:

Patients who are currently taking NeoMercazole (especially those taking the above batches) should be monitored regularly for symptoms and signs of inadequate control of hyperthyroidism. Patients on NeoMercazole who may have concerns should contact their healthcare professional for advice. Doctors and pharmacists still holding product from the above batches should immediately withdraw them from use and contact Anne Bedford at Roche Customer Services on 01 4690700 to arrange for the uplifting of this stock and for free replacement with non-defective product. If you have any queries regarding this recall, please contact Anne Bedford at Roche Customer Services on 01 4690700.

Part 5. Keywords

a) Keywords:

NeoMercazole Carbimazole
