

Notification of Medicinal Product Shortage

Molipaxin 50mg Capsules (PA 540/56/1)
Molipaxin 100mg Capsules (PA 540/56/2)

May 2022

Dear Healthcare Professional,

Sanofi wish to inform you of a shortage of Molipaxin Capsules (Trazodone Hydrochloride) in Ireland. This letter is being sent to both pharmacies and prescribers.

- **Molipaxin 50mg Capsules** are currently out of stock and will remain out of stock until the end of September 2022
- **Molipaxin 100mg Capsules** will be out of stock by the end of June 2022 and will remain out of stock until the end of September

Please note that **Molipaxin 150mg Film Coated Tablets** are **not affected** by this shortage and remain available.

Sanofi sincerely apologise for the inconvenience caused to you and your patients. While these shortages are due to manufacturing issues outside our control, we are doing everything possible to expedite an early return to supply.

In the interim, there are other presentations of Trazodone Hydrochloride available in Ireland as exempt medicinal products.

If you require any further information, please contact Sanofi Medical Information on 01 403 5600 or email JMedinfo@sanofi.com

Yours sincerely,

A handwritten signature in black ink, appearing to read "Deborah Woods".

Deborah Woods

Head of Medical, General Medicines, UK and Ireland
