

Notification of Medicinal Product Shortage

Arava 10 mg film-coated tablets, EU/1/99/118/003

Arava 20 mg film-coated tablets, EU/1/99/118/007

June 2022

Dear Healthcare Professional,

Sanofi wish to inform you of a shortage of Arava Film Coated Tablets (leflunomide) in Ireland. This letter is being sent to both pharmacies and prescribers.

- **Arava 20 mg film-coated tablets** will be out of stock by the end of June and will remain out of stock until early August.
- **Arava 10 mg film-coated tablets** will be out of stock by the end of July and will remain out of stock until late September

Sanofi sincerely apologise for the inconvenience caused to you and your patients. While these shortages are due to manufacturing issues outside our control, we are doing everything possible to expedite an early return to supply.

If you require any further information, please contact Sanofi Medical Information on 01 403 5600 or email JMedinfo@sanofi.com

Yours sincerely,

A handwritten signature in black ink, appearing to read "Deborah Woods", is placed on a light yellow rectangular background.
