

## Important Hospital Supply Notification

Product	License	Unavailability Date	Resupply Date
SOLU CORTEF 100MG VIALS 10	PA 0822/137/001	W/C 6 <sup>th</sup> December 2021	WC 20 <sup>th</sup> December 2021

Dear Pharmacist,

24<sup>th</sup> November 2021

Please note we currently have a temporary supply issue of Solu-Cortef Powder for Solution for Injection or Infusion 100 mg.

The Irish license stock for of Solu-Cortef Powder for Solution for Injection or Infusion 100 mg will return to market week commencing 20<sup>th</sup> December 2021..

Pfizer is working diligently to resolve the supply shortage and resumption of supply as soon as possible. We regret any inconvenience caused by this temporary supply interruption to the market.

**Please circulate this notification to key stakeholders as appropriate so that prescribers of this medicine are informed.**

The reason for the interruption in supply does not impact the quality, safety, or efficacy of the finished product currently available on the market.

If you have any queries about this notification or want any additional information, please contact your key account manager or Pfizer Healthcare Ireland's office on 01-4676500.
