Re: New Substances added to Schedule 1 of the Misuse of Drugs Regulations

Four new substances have been added to Schedule 1 of the Misuse of Drugs Regulations 2017 with effect from the 24/11/2017.

The four substances are as follows;

U-47700

EPH

MPA

XLR-11

Ireland is required to subject these substances to national control on foot of obligations as a party to the UN Conventions of Narcotic Drugs 1961 and Psychotropic Drugs 1971.
