30<sup>th</sup> September 2020

Dear Wholesaler,

We wish to advise you that two batches (9371-90C & 0105-90E) of Carprieve 50 mg/ml Solution for Injection for Cattle, VPA No. 22664/080/001 are being recalled with immediate effect.

This recall is going to veterinary surgeon / retail level.

This action has been agreed with the Health Products Regulatory Authority, Ireland.

The reason for the recall is that during stability monitoring analysis of the above batches of Carprieve 50 mg/ml Solution for Injection for Cattle, a related substance (process impurity) was detected.

Please immediately quarantine any units of these batches which you have in your possession. Norbrook will be contacting your customers concerning this recall and will be asking them to return to you any remaining stock of these above named batches for reconciliation and return to Norbrook.

Please complete the attached reconciliation form and return to Norbrook by email ([gary.mckee@norbrook.co.uk](mailto:gary.mckee@norbrook.co.uk)). Norbrook will then arrange courier pickup and fully credit your account for the returned product up to the 30<sup>th</sup> of October 2020.

If you have supplied these batches to any other wholesaler, please send those wholesalers a copy of this recall letter, requesting that they quarantine and return any unsold quantities of these batches to you.

We apologise for any inconvenience this action may cause. Should you have any queries, please contact Gary Mckee at telephone number +44 (0)28 3026 4435

Yours sincerely,

Mr. Gary Mckee, Corporate QA Manager.
