**REGULATORY
SCIENCE IRELAND**
WORKING TOGETHER FOR
BETTER PATIENT OUTCOMES

REGULATORY SCIENCE IRELAND (RSI) SEMINAR

VENUE: Radisson Blu Hotel, Little Island, Cork

DATE: Sept 8th, 2015, 10.30 am.

RSI is a new organisation that carries out research and education in the field of pharmaceutical regulatory science. You are invited to attend a discussion meeting which will describe progress to date and outline the future direction of RSI.

Speakers:

Dr Kevin O'Donnell (HPRA):

*"The RSI Quality Defects Research Project –
generating knowledge from defect data"*

Professor Caitriona O'Driscoll (School of Pharmacy, UCC):

"RSI – its mission, progress and future plans"

Round table interactive Q&A session

Light lunch will be available at 1.30pm

All are welcome to attend this free event.
