This recall has been initiated due to broken thumb loops on the product. Use of this product may cause delays in procedure time and/or additional surgical intervention to remove the specimen from the patient.

We began shipping this product in November 2016.

Immediately examine your inventory and quarantine product subject to recall. In addition, if you may have further distributed this product, please identify your customers and notify them at once of this product recall. Your notification to your customers may be enhanced by including a copy of this recall notification letter.

All product with lots I8095/2017-11-08 | I8162/2018-01-09 | I8162/2020-01-09 shall be returned to GENICON via FedEx Ground on GENICON's account (297603345). No other lots of 550-000-000 are impacted by this removal. Please only return the lots listed above.

This recall should be carried out to the user level.

Your assistance is appreciated and necessary to prevent the above referenced potential health hazard. Please maintain awareness on this notice and resulting action for an appropriate period to ensure effectiveness of the corrective action.

Please complete and return the enclosed response form as soon as possible.

If you have any questions, call GENICON Customer Service at 407-657-4851 x800.

This recall is being made with the knowledge of the Food and Drug Administration and appropriate National Competent Authority(ies) and Regulatory Agencies.
