Alert number: INFO/00083/20  

Category: Cosmetics

Product: Soap basket

Brand: Unknown

Name: Unknown

Type / number of model: Unknown

Barcode: Unknown

Batch number: Unknown

Counterfeit: **NO**

Risk type: Choking

Small parts can be easily detached from the product.

Due to its characteristic form, appearance, colour and size, the product may be mistaken for a foodstuff.

This may lead consumers, and specially children, to put the product in the mouth, which could entail the risk of choking. / The product does not comply with the Cosmetic Products Regulation and the requirements of the Food imitating Products Directive.

Measures ordered by public authorities (to: Retailer): Withdrawal of the product from the market

Description: Cosmetic set consisting of 8 different miniature soaps imitating pieces of food stuff (fruits and egg) in a wicker basket.

Packaging description: The product is sold in a wicker basket with green paper in the inside.

Country of origin: Unknown

Alert submitted by: Bulgaria
