

DUAL ACTION TCP SOOTHES PAIN, FIGHTS INFECTION
Relief of Sore Throat symptoms including those associated with Colds and Flu.
Also for Mouth Ulcers, Cuts, Grazes, Bites, Stings & Spots.

Do not use if you have an allergic skin condition or are sensitive to the active ingredients. Avoid contact with eyes.

If you swallow large amounts, drink plenty of water. If you feel unwell seek medical advice.

In normal use you should not suffer unwanted side-effects. Stop using TCP and tell your doctor immediately if you experience: mouth paraesthesia (unusual sensations within the mouth such as tingling, pricking, or burning), dysgeusia (taste impairment), blisters, mouth ulcers, swelling, burns, redness, pruritus (itching), dry skin, skin necrosis (skin reactions), skin peeling, pain.

Reporting of side effects
 If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed on this label. You can also report side effects directly (see details below).

Website: www.hpra.ie
 e-mail: medsafety@hpra.ie

By reporting side effects you can help provide more information on the safety of this medicine.

Do not use after expiry date.
 Date of text preparation: June 2016.

Soothes Pain, Fights Infection
Topical solution and concentrate for gargle

Relief of Sore Throat symptoms including those associated with Colds and Flu

Simply gargle twice a day with TCP diluted with 5 parts water.
DO NOT SWALLOW

Mouth Ulcers
 To ease the discomfort of common mouth ulcers, dab undiluted three times a day. Should symptoms persist for more than 14 days, consult your doctor or dentist.

Cuts, Grazes, Bites, Stings
 Dilute with an equal quantity of water and apply freely. In emergencies may be used undiluted.

Boils, Spots, Pimples
 Dab lightly, undiluted, every 4 hours and do not cover.

Manufactured by:
 Laboratoires Chemineau,
 93 Route de la Monnaie,
 37 210 Vouvray, France.

TCP is a registered trade mark.
