This product may be used on pregnant and lactating animals.

4.8 Interaction with other medicinal products and other forms of interaction

None known.

4.9 Amounts to be administered and administration route

For external use only.

Ready to use formulation: use undiluted.

Teat dipping: Directly after milking, dip the full length of each teat in the product.
Fill the teat dip cup to approximately $\frac{2}{3}$ full and replenish as necessary.

Spraying: Directly after milking, spray the entire surface of the teats.

4.10 Overdose (symptoms, emergency procedures, antidotes), if necessary

Not applicable.

4.11 Withdrawal Period(s)

Meat: Nil

Milk: Nil

5 PHARMACOLOGICAL or IMMUNOLOGICAL PROPERTIES

Bactericidal action.

Emollient.

6 PHARMACEUTICAL PARTICULARS

6.1 List of excipients

Isopropyl Alcohol
Glycerol
Ponceau 4R (E124)
Isotridecanol 12-ethoxylate
2-ethyl-1,3-hexanediol
Dimethylphthalate
Light Liquid Paraffin
Isotridecanol 8-ethoxylate
C_{13/15} 3-ethoxylate surfactant
Deionised Water

6.2 Incompatibilities

In the absence of compatibility studies, this veterinary medicinal product must not be mixed with other veterinary medicinal products.

6.3 Shelf-life

Shelf life of the veterinary medicinal product as packaged for sale: 24 months.

6.4 Special precautions for storage

Do not store above 25°C.

Protect from direct sunlight.

Protect from frost.

Store in tightly closed original container.

6.5 Nature and composition of immediate packaging

The product is packaged in a 20 litre high density polyethylene container and closure (HDPE) or a 200 litre L-Ring (HDPE) drum of high molecular weight polyethylene with co-polymer polypropylene bung.

6.6 Special precautions for the disposal of unused veterinary medicinal products or waste materials

Harmful to fish. Do not contaminate ponds, waterways or ditches with the product or used container.

Empty containers should be made unusable by crushing or putting holes in them. Unused product or empty containers should be then disposed of in accordance with any guidance from an appropriate waste regulation authority.
